2024-25 Spring 1

Spring into Wellbeing!

A very warm welcome to the first of our Spring Term 2025 editions! Although January can often feel like the longest and gloomiest month of the year, it's a good time to be reminded of the importance of looking after ourselves and each other. As the days are growing longer and the promise of spring is beginning to shine through, there is so much to look forward to.

Our children have eagerly signed up for the sponsored half marathon challenge - a fantastic opportunity for them to build healthy habits, set personal goals, and work together as a team, all whilst raising funds for their school. We are all incredibly proud of their enthusiasm and determination! Later in February, we have planned a special movie night for them, time to snuggle with some popcorn and enjoy a favourite film with their friends (keep an eye out for the announcement)... And for the adults, you wouldn't want to miss the incredible line-up from the Chesham Comedy Club, promising a much-needed evening of laughter and relaxation - a perfect way to unwind and enjoy a fabulous night out.

Thank you for all your ongoing support and for helping to create a warm, caring, and vibrant environment for our children

Best wishes,

Lubka
