Dear Parents & Carers,

***"This is a happy school where pupils enjoy coming to school and are safe."
"The strategic approach has meant the school has taken great strides in the last year."
"Pupils are at the heart of all decisions made."***

We are absolutely delighted and could not be prouder to share with you the outcome of our recent Ofsted inspection and report.

As we had been judged as good at our previous inspection in 2019, this was an ungraded inspection, which meant that the Inspector's overall assessment was either that we had maintained that standard or not.

We are thrilled to confirm that the school was judged as having taken effective action to maintain the standards identified at the previous inspection.

The report highlights so many strengths of our school community, and we are bursting with pride for our children, staff and families.

The inspector described St Paul's as ***"a welcoming and inclusive school where pupils are nurtured and quickly develop their confidence."***

We were especially pleased that the inspector recognised how ***"the school values are strongly embedded, and pupils celebrate difference."*** Our children were commended for their excellent conduct, with the report stating ***"pupils are polite and well-mannered. They are quick to follow instructions and keen to do well."***

Our governors and staff were also recognised for their dedication, with the report stating that ***"governors and leaders are committed to a culture of ambition and take their duty of care very seriously."***

The report reflects the tremendous hard work and commitment of all our staff and the community. As a school, we are incredibly proud of this report which is a testament to the dedication and care shown by our staff and governors, the wonderful attitudes and achievements of our children, and the unwavering support from you, our parents and carers. These words truly capture what we strive for every day.

Thank you for your continued support and partnership in making St Paul's such a special place to learn and grow. We look forward to building on this success together.

Warmest wishes,

Mrs Charlotte Dennis
Headteacher

Mr Edward Arnold
Chair of Governors
