

Snow Day Work

Please choose one activity to do and put a picture of you doing the activity on ClassDojo.

Writing

Use adjectives to describe the snow.

The snow feels _____ and _____.

Maths

Throw snowballs at a target.

Every time you hit the target, add 1 point. When you miss, take away 1 point. How many points did you get?

STEM

Build a shelter for animals. How can they stay warm in the snow? What food do they eat? Do they need to hide from other animals?

Science

What happens to snow or ice when we bring it inside?

PE

Go sledging, build a snowman, make snow angels, have a snowball fight. Get moving and have fun!

Reading

Read a book about snow or if you're feeling cold read a book about summer or warm locations.

Mindfulness

Hold some snow in your hands, slowly blow all the snow out of your hands. Take nice deep breaths.

or

Watch the snow melt in the sun.
